Walky Park, Cnr Bower Road & Railway Road, Steinfeld SA

rallyschool.com.au

DIRECTIONS

- 1 From Adelaide, drive east (towards Renmark), 21km past Truro along the Sturt Hwy.
- 2 Turn left on Bower Rd (full name Bower Boundary Rd, a dirt road) for 6km. Caution, kangaroos about!
- 3 Turn right on Railway Rd (full name Old Railway Road, another dirt road) and follow the RallySchool signs.

Rally School Barossa Valley is a gravel track located in Walky Park, east of Truro.

This track is our longest and fastest in Australia so rev heads are guaranteed to get a kick out of this one!

HOW THE DAY WORKS

Each day at the Rally School kicks off with a sign-in and full safety briefing process which includes an overview of the key driving techniques you'll need to know before you hit the track!

Depending on your booked experience, you'll then be assigned your car(s) and safety gear. There is opportunity to upgrade your package on the day to include more laps, cars and or even hot laps for friends and family. You might prefer to arrange any add-ons in advance so you can plan your day better. To discuss your add-on options, give the office a call or email anytime (see contact buttons at the top of this PDF).

Make sure to wear long pants and closed in shoes and give yourself plenty of time to find the track and sign-in. We'll see you there!

Had an awesome time driving the cars especially the left hand drive as it was my first left hand drive car. Instructors are friendly and gave advice on how to improve further
